Please read, sign, and return the attached registration requirements.

* Additional classes may be needed to acquire mastery of skills, please see the Instructor for details

* All students are required to have their respective textbook (available the first night of class from the instructor) by the second week of class. Downloaded media versions are not recommended or acceptable at this time.

* As of June, 2005 the Office of Emergency Medical Services has required all EMT training facilities in MA to become an accredited institution. With-in the accreditation process the training institution will manage the final exam procedures for the practical exam. This process will subsequently cause the student to pay examination and licensure fees to the Academy verses the Commonwealth. Exam fees are due **5 weeks after the beginning** of the course and are non-refundable.

EMERGENCY MEDICAL TECHNICIAN

Intern Registration Requirements / Reminder

Please be sure all of the following requirements are met to assure registration for the SPRING EMT course.

1. Completed registration form.
2. Payment for course (deposit or full tuition) mailed to **NECTA** (address below).
3. Payment for text(s) paid to the instructor. Texts will be available the first night of class.

Withdrawal Policy

- **Withdrawal or cancellation of registration prior to last date of registration: Full refund minus the \$100.00 non-refundable application processing fee.**
- **No reimbursements will be issued thereafter.**
- **PayPal fees are non-refundable.**

*Special Note:

*CPR is a state mandated course prerequisite. Most EMT Interns do not have a current American Heart Association Healthcare Provider CPR card issued within 6 months of the start date of this course. In efforts to accommodate you, the Intern, and the state mandate, we will offer a CPR course on **TBD** @ 6 pm in Shrewsbury (Usually the second week of class).

This course is available for an additional fee of 95.00 and includes the following:

- *AHA Healthcare Provider textbook*
- *Professional CPR mask in a hard case*
- *Your Own Individual CPR manikin (new)*
- *Professional instruction*
- *American Heart Association HCP Certification card valid for 2 years*

Any student that has an approved CPR card must provide a copy of said card the **first night of class and take the BLS exam during the second week of class. Should you not be able to pass the exam, you will be required to take an **approved** CPR course with-in one week of the beginning of class (no exceptions, state requirement).

I have read and understand the above registration requirements and withdrawal policy.
