

# Massachusetts Emergency Care Training Agency

## Wilderness Technician Level I / II

Sponsored by **MECTA™ Outdoors**  
(A division of the Massachusetts Emergency Care Training Agency)

MECTA™ Outdoors is offering an introductory course (15 hours) and an advanced course (36 hours) in Wilderness Medicine and Basic Survival. With the use of some basic tools and the "Great Out Doors" the recipient should know what to do in an emergency and how to survive.

### Curriculum for Wilderness Technician - Level I

This 15-hour course will teach the Essentials and Personal Preparedness needed for Wilderness Survival. Topics that will be covered include: Food and Water, Shelter and Making Camp and Medical Care in the Great Outdoors.

- Course Participants will be awarded a National Safety Council certification card in Wilderness First Aid and a Wilderness Technician Type I course participation card.
- The Wilderness Technician - Level 1 curriculum is **APPROVED by OEMS** for 15 Continuing Education Credits for EMT's.

**i** Please note that this course is limited to 10 students.

### Curriculum for Wilderness Technician II

This 36-hours course covers the topics of: Attitude, Survival Planning, Shelter, Direction finding and Navigation, Survival Medicine, Water and Food, Knots, Fire, Water Safety and Rescue, Outdoor and Personal Equipment, and "Tools of the Trade." Participants of this course will be required to camp overnight.

- Course Participants will be awarded a National Safety Council certification card in Wilderness First Aid and a Wilderness Technician Type II course participation card.
- The Wilderness Technician - Level 2 curriculum is **APPROVED by OEMS** for 25 Continuing Education Credits for EMT's.

**i** Please note that this course is limited to 10 students.
